INSTRUCTIONS

1. Paint the outside of the mug with 2-3 coats of Carnation. Allow the mug to dry thoroughly before step 2.
2. Use your NCR Pattern to trace on your french fries, we will use the words later.
3. Paint the front of the fries with 3 coats of Banana Boat.
4. Next, paint the sides with 3 coats of Mango Madness
5. Fill in the inside and bottom of the fry container with 3 coats of Red Hot.
6. For the front and side of the fry container we will use 3 coats of Red Head.
7. Allow the piece to dry thoroughly before tracing on your word pattern, or using a marker to sketch on the words.
8. Next, use your detail brush to paint in 1 coat of Licorice for your words.
9. Finally, water down the Licorice paint using 50% water to 50% paint. Use the liner brush to apply a messy double outline to the fries and the container.

TIPS

- When using a detail brush, the harder you press on the brush the heavier the lines will be
- We intentionally did a messy double line for the outline to give it a sketched on quality.
